

6th Grade Summer Reading

UPDATE on Summer Reading: You will need to read 5 books total, but 2 will be from the list/padlet we created for you, 1 will be from this list (and you will need to do the assignment below based on it), and 2 will be free choice.

Choose one of the following novels:

Home of the Brave by Katherine Applegate
Inside Out and Back Again by Thanhha Lai
90 Miles to Havana by Enrique Floris-Galbis

As you read, look out for the following:

New Experiences

What new experiences does the protagonist encounter? These can be positive or negative experiences.

Obstacles

What obstacles does the protagonist face throughout the book?

Memories of Home

What does the protagonist miss from home?

You can type notes in a Google Doc, keep handwritten notes, or attach post-its to your book as you read. During the first few days of school, we will be doing activities based on the novels and your notes, so please bring them with you.
